TO MEN

Even unto old age you may feel the vigor of youth, with its light heart, elastic step, courage and 🖔 tireless energy. You may be free from pains and aches and nefy your years.

There is a fountain of perpetual youth, and you have only to reach out your hand and take it. You can drink of it until your heart shouts with gladness, and with all your might you will proclaim, as other men

"I AM A MAN!"

Like the giants of old, you can be in your prime at 60-strong, vigorous and full of conthini enthusiasm.
